PROFILE

I am a qualified and professional Front-end developer with 1 years of experience in website design. Strong creative and analytical skills. Team player with an eye for detail.

EXPERIENCE

1 year of Learning Experience

1. **E-commerce Website (Clothing Store):**
   - Created a responsive and fully functional e-commerce website using React.js, Next.js, and TypeScript.
   - Implemented features like product filtering, shopping cart, and user authentication.

1. **Portfolio Website:**
   - Developed a personal portfolio website showcasing skills, projects, and contact details.
   - Utilized SCSS and React Router for styling and navigation.
